briefing paper BDCP one page revised 03 03 14.docx

Hi Abi:

I did a quick update to the briefing paper that we'd previously written for HQ.

I like this one-page paper compared to the lengthier versions we've produced because it packs in all the information Jared needs to know right now.

If he wishes to reach me tomorrow (I'll be in Rancho Cordova), or if he wants me to join his meeting with Mr. Cowin, please have him call me at (510) 366-4669.

Cheers, Tim
